

AFI Introduction

Association for Foreign Investment (AFI)

Prague, September 2015

Who we are

Association for Foreign Investment (AFI) je non profit NGO promoting the investment sector in the Czech Republic and cooperation between corporate and public sectors

- **AFI is a group of leading service professionals helping foreign entities establish their operations in the Czech Republic and Czech exporters in foreign markets.**
- We associate nearly **40 renowned companies providing advisory and other services to investors.**
- We have been supporting CzechInvest activities since 1996. We also provide expert support for Czech Embassies and foreign offices of the Ministry of Industry and Trade.
- AFI and its members actively participated in hundreds of investment projects in the Czech Republic (e.g. Volkswagen, Toyota, Hyundai, DHL or Honeywell) and abroad.
- **We comprise an effective and transparent platform for communication between investors, the state administration, universities and other entities in the Czech investment environment.**
- We are an „**opinion maker**“ in the Czech investment environment
- We have announced the prestigious Investor of the Year and Business Property of Year Awards already for twelve Years.
